

MC 2C

Excellent cleaning performance, with professional spray equipment

Removable and integrated detergent tank for easy transport and easy filling of detergent.

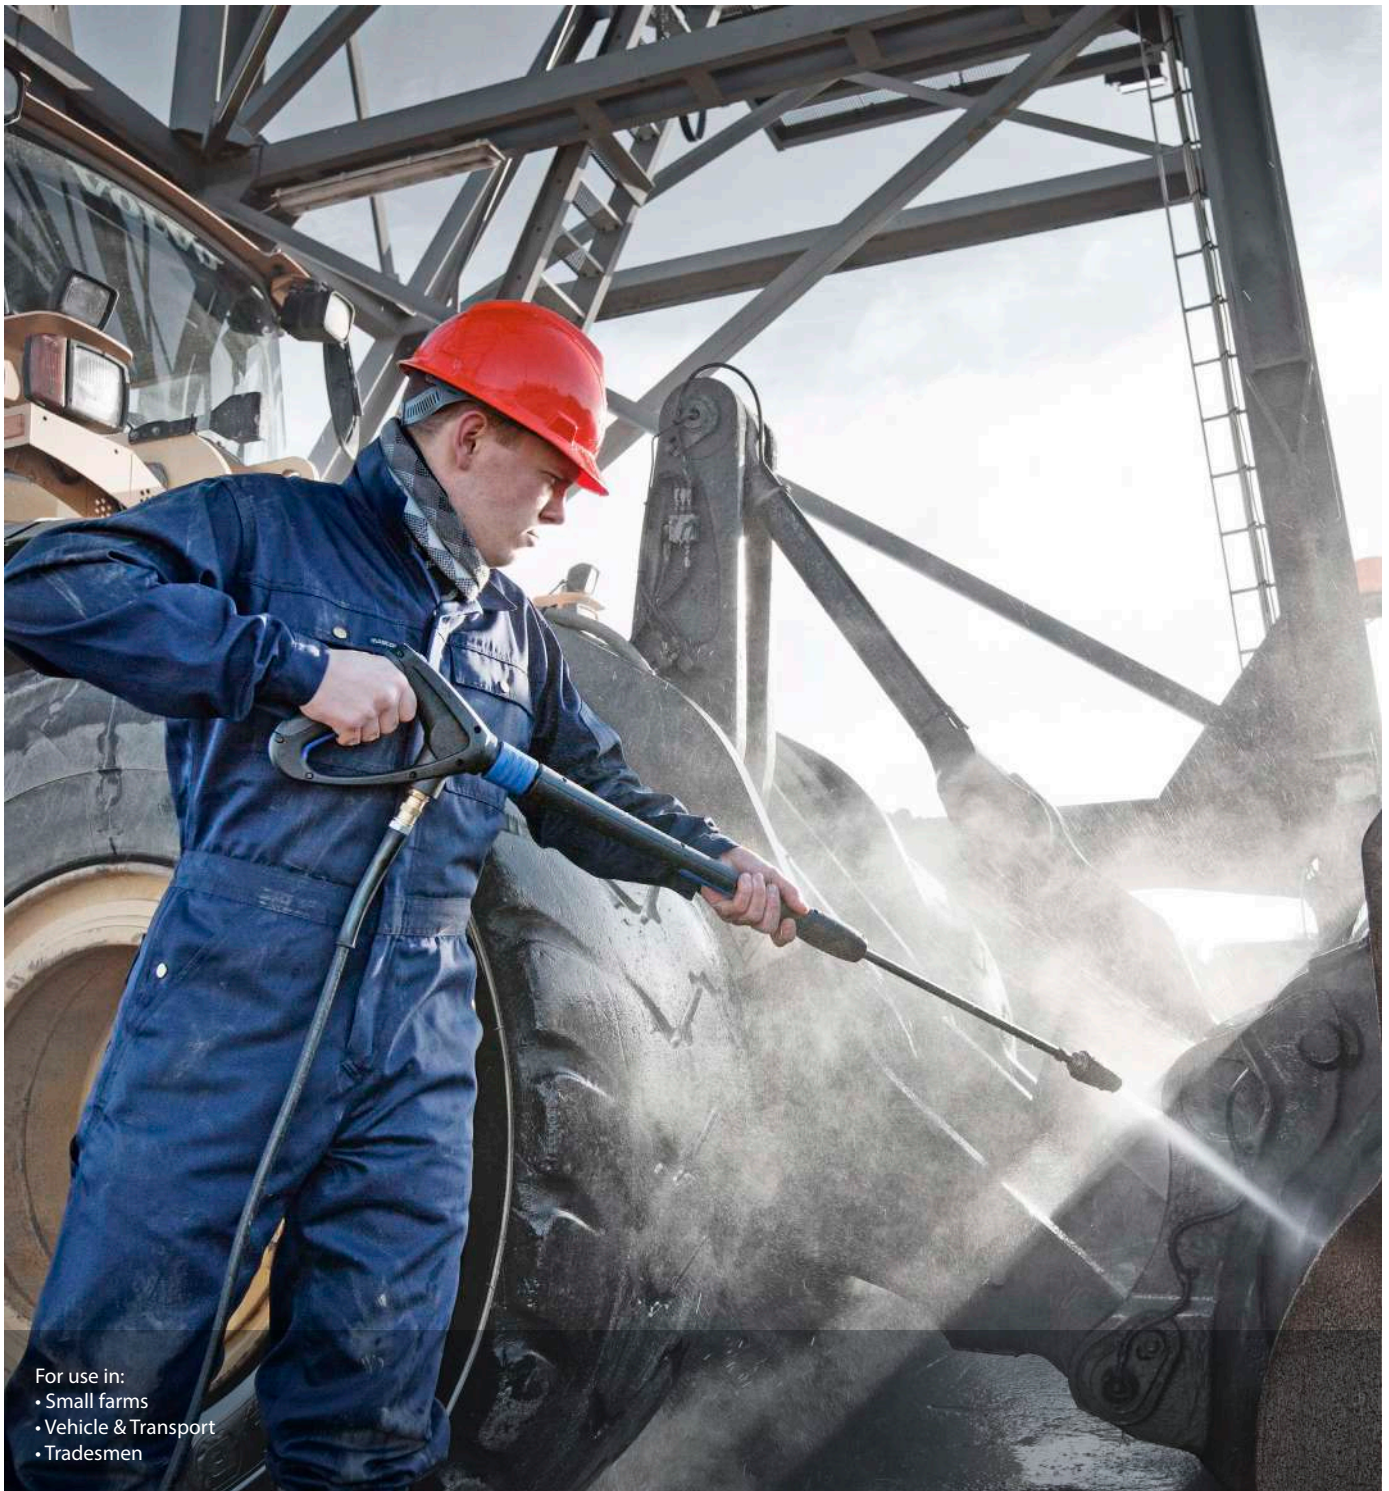

4-in-1- innovative lance and nozzlehead. One lance for most of your cleaning tasks.

Automatic start/stop. Deactivation of the spray gun trigger, the motor stops. This saves energy and eliminates noise during work pauses.

Together with the compact design, the machine takes up less storage space since the size of the aluminium telescopic handle can be reduced during storage.

For use in:
• Small farms
• Vehicle & Transport
• Tradesmen

The ideal machine for everyday cleaning work

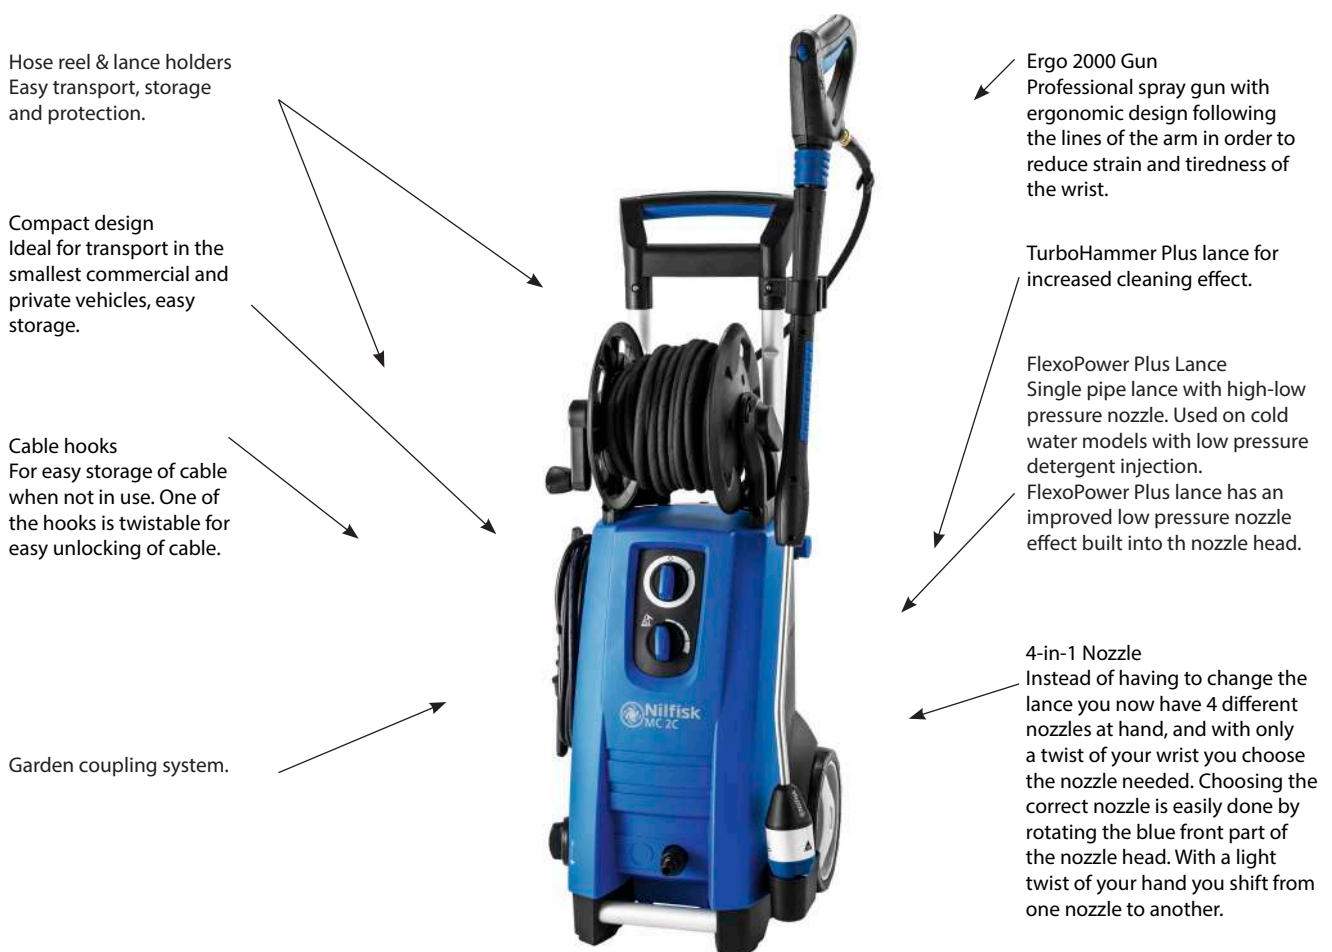

The MC 2C range is destined for low intensity use and routine semi-professional cleaning tasks. They offer excellent cleaning performance, professional spray equipment, good storage facilities and handling. The mobile unit associates a high level of ergonomics with cleaning power. Overall, the MC 2C mobile units associates a high level of ergonomics and cleaning power.

The MC 2C line comprises models designed for routine semi-professional use mainly by trades-men, on small construction sites or for rental.

The compact cold water line that combines high performance level for increased cleaning efficiency, ergonomics and durability for superior everyday cleaning.

- The MC 2C comes equipped with versatile and easy to use features:
- Automatic start/stop
 - Waterflow regulation
 - Adjustable handle
 - Ergonomic and user friendly, without any compromise with cleaning performance
 - Ergo 2000 gun
 - Brass cylinder head
 - Axial pump

- 15 m DN6, steel reinforced HP hose (standard model has a 10 m hose)
- Detergent injector hose and doser
- Removable and integrated detergent tank (2 l)
- Water flow regulation on all models
- FlexoPower Plus Lance with HP nozzle, with improved low pressure spray pattern.
- Hose reel on XT models
- 4-in-1 lance on XT models

Hose reel & lance holders
Easy transport, storage and protection.

Compact design
Ideal for transport in the smallest commercial and private vehicles, easy storage.

Cable hooks
For easy storage of cable when not in use. One of the hooks is twistable for easy unlocking of cable.

Garden coupling system.

Ergo 2000 Gun
Professional spray gun with ergonomic design following the lines of the arm in order to reduce strain and tiredness of the wrist.

TurboHammer Plus lance for increased cleaning effect.

FlexoPower Plus Lance
Single pipe lance with high-low pressure nozzle. Used on cold water models with low pressure detergent injection. FlexoPower Plus lance has an improved low pressure nozzle effect built into the nozzle head.

4-in-1 Nozzle
Instead of having to change the lance you now have 4 different nozzles at hand, and with only a twist of your wrist you choose the nozzle needed. Choosing the correct nozzle is easily done by rotating the blue front part of the nozzle head. With a light twist of your hand you shift from one nozzle to another.

Models and specifications

MC 2C

- Ergonomic and compact design.
- Ergo accessory concept for optimal user comfort.
- For low intensity use and routine semi-professional use.
- Axial pump.
- Brass cylinder head.
- Removable integrated detergent tank.
- Steel armed hose.

Additional for MC 2C XT

- 4-in-1 lance.
- 15 m hose.
- Hose reel.
